DON BOSCO

(1815-1888)

Don Bosco is known to millions as brilliant educator and a great champion of the young. He was born on 16 August 1815, at Becchi, Turin, Italy, in a poor family and eventually he was ordained a priest. He dedicated his entire life for the welfare of the young. Don Bosco's system of education can be summed up in three words (3 R'S): **Reasonableness, Relationship and Religiousness**. Reasonableness refers to a sensible and realistic approach to realities, goals and achievements. Relationship entails a family atmosphere, a loving, friendly and trusting rapport between the teachers and students and spontaneity and openness in interactions. Religiousness signifies inculcating in the young a sense of the divine and preparing them for life, apart from equipping them for a livelihood.

“Education is a matter of the heart”
