2. Establish a mutually beneficial partnership between colleges that allows a flexible and creative response to the organizationalmissions and other needs of both institutions.
3. Shared use of facilities including classrooms, office and library facilities that reduces operating cost and promotes collaboration of students, faculty and staff.
4. The aim of MoU shall be to achieve a broad balance in the respective contributions and benefits of collaborations, and this shall be subject to periodic review by both campuses.

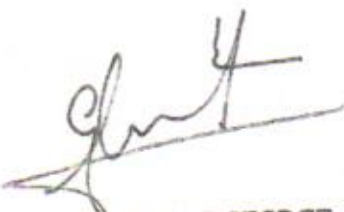

Reporting requirements and time frame:

This MOU shall be effective on the date of signing by the authorities of both institutions and shall remain in force for 3 years, unless terminated by either institution by giving three months' notice in writing to the other party. In the event of the termination of this agreement, reasonable efforts shall be made to allow for the completion of all outstanding cooperative endeavors.

This document is not intended to create binding or legal obligations on either party.
