## REPORT ON FACULTY DEVELOPMENT PROGRAMME JANUARY 2020

A Faculty Development Programme (FDP) was organized by the college for 3<sup>rd</sup> & 4<sup>th</sup> January 2020. It was a two day programme for the teaching and nonteaching staff. The resource person was Fr. Joe Kokkandathil SDB.

On the first day, the programme commenced by 9.15AM. Principal Fr. Raju Chakkanattu SDB officially welcomed Fr. Joe Kokkandathil SDB. The morning session was about emotional hygiene, social welfare, happiness making, and some mind therapies. The class was so interesting. We were understood that we can create happiness in ourselves for the betterment of society. He also taught 3 types of breathing: water breathing, whisky breathing, and coffee breathing.

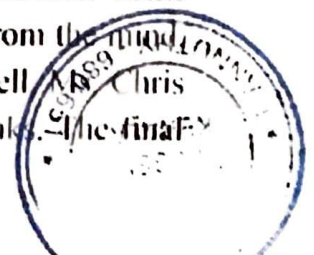

After the lunch break, the session was about chakra meditations. This meditation is called Ananda Mandala and it is supposed to clear the chakras, which – according to Hinduism – are the seven energetic centers in the body that run from the base of the spine to the crown of the head. The meditation was done as a group and it was a good session for clearing our tensions and everyone felt good. The training of the day came to an end by 3.30PM.

The next day the programme commenced by 9.15AM. The session was about the thoughts of the mind. It was taken by Fr. Joe himself. The idea has three concepts:

- Check your thoughts
- Believe in your thoughts
- How to react with your thoughts positively with response not by reaction.

After the lunch break, the session was about pranayama and meditations. He showed many inspirational videos related to the topic. The staffs were practiced some meditation methods to erase the bad, humiliating, sorrowed memories from the mind. Finally he collected the feedback from the staff. Everyone responded well. Aloysius, HoD of Computer Science Department delivered vote of thanks.
