2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Skill Development Programs:** Both parties will seek to collaborate at opportune time in training the students on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.3 **Knowledge Sharing:** Both parties will make efforts to extend the necessary support to resource sharing to the students.

2.4. In the case of any financial consideration, it will be dealt separately.

2.5. Apart from suggestive and progressive intention this MoU has no legal obligations to fulfill.

### CLAUSE 3

### VALIDITY

This Agreement will be valid one year until it is deliberately terminated by either Party on mutually agreed terms, during which period will take effective steps for implementation of this MOU. The renewal of the same is possible after the termination of the MoU.
